

MEMORANDUM

To: Monterey Bay ACA Intergroup Member Groups

From: Outreach Committee

Date: February 22, 2020

Subject: Outreach Flyer

The attached flyer is the result of the Outreach Committee's efforts to provide each member group with flyers for distribution to the public describing the ACA program. The flyer will be posted on the acamontereybay.org website for future access.

These flyers can be hung on public bulletin boards where curious people might read them. Examples of some of these places may be gymnasiums, health care providers, libraries, grocery stores, shelters, police and fire departments, dance studios, yoga studios, massage therapists, churches, restaurants, laundromats, hair salons, and many more public venues.

We ask that each Intergroup Representative make copies and deliver these flyers to their home meetings with the request that members of the fellowship voluntarily hang the flyers on public bulletin boards as they go about their regular daily routines.

We thank our fellowship for the growth in its membership. With your help, we hope to continue the slow and steady expansion of our message of hope to those still suffering.
